

Staff Living Conditions

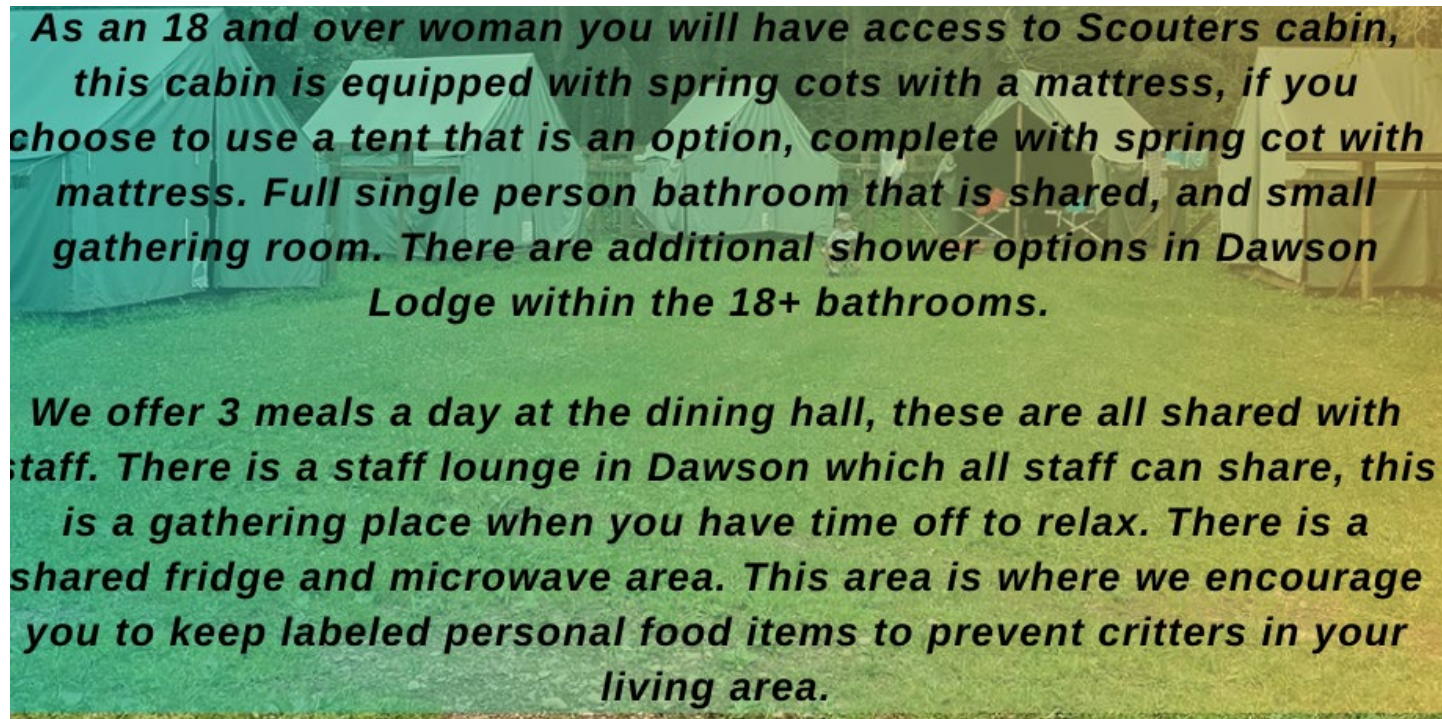

At Camp Merz

As an over 18 man there is an option of sleeping arrangements based on availability and necessity. The waterfront building is for our more responsible staff, beautiful bathrooms and showers, large living area and shared bunk area. This is limited availability. The other sleeping area is the staff tenting area, Cloth tents, on wood pallets and metal cots with a mattress. As an over 18 you have privilege to shower in Dawson 18+ bathrooms, the shower house or if a resident of Waterfront the waterfront building.

We offer 3 meals a day at the dining hall, these are all shared with staff. There is a staff lounge in Dawson which all staff can share, this is a gathering place when you have time off to relax. There is a shared fridge and microwave area. This area is where we encourage you to keep labeled personal food items to prevent critters in your living area.

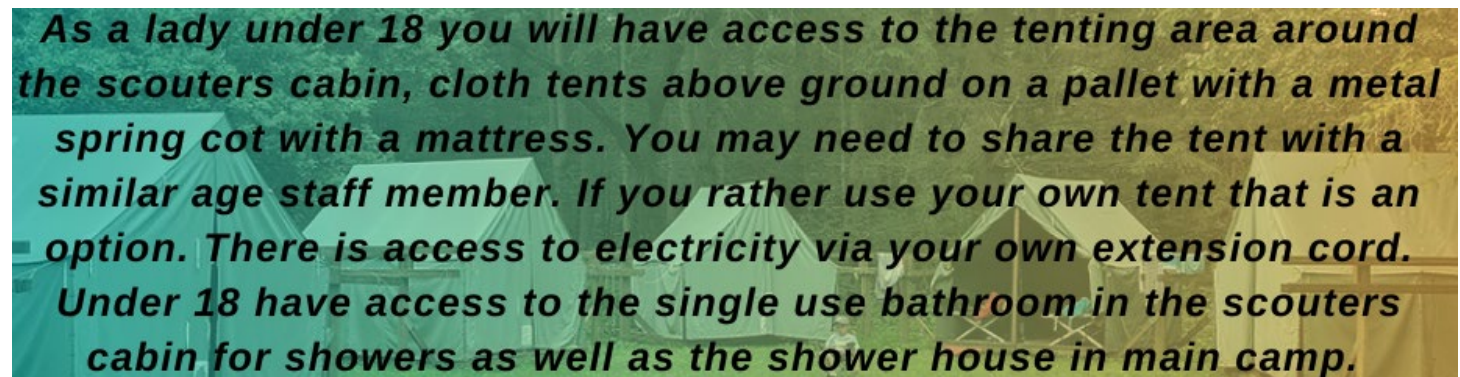

As a man under 18 we have a staff tent for you to sleep in, this is an above ground cloth tent, on a pallet, with a metal spring cot with mattress. You may need to share the tent with another similar age staff member. There is access to electricity via your own extension cord. There is a porta-potty right outside the staff site pathway for quick access. The main shower house will be where you shower.
